Празник на буквите

- УЧИТЕЛИ:
- г-жа ЕЛИ ДИМОВА
- г-жа ВАНЯ ПОПОВА

Златни букви
На славянските народи в стари, стари времена дали Кирил и Методий златни букви – писмена.

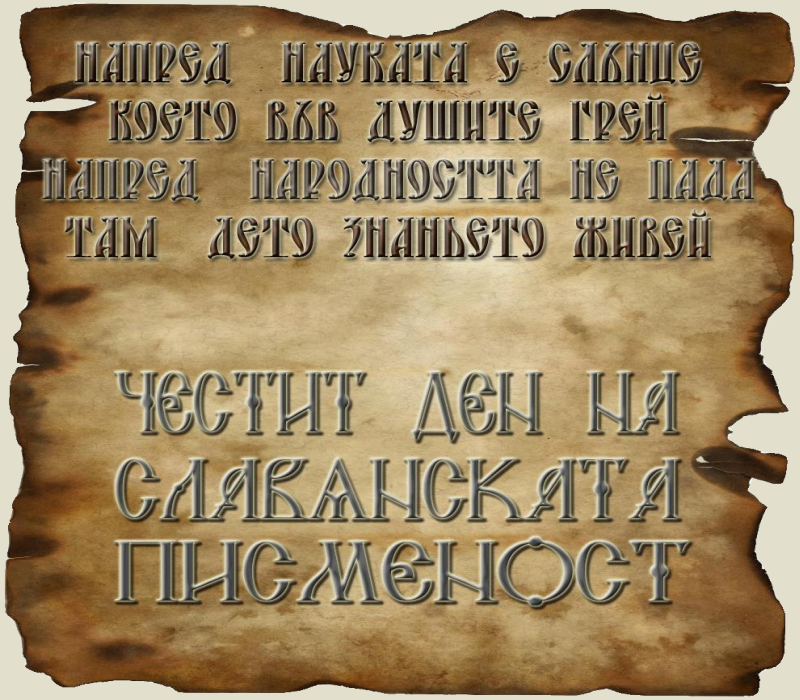

- Те ни дали светлината,
- пазели ни от беда.
- Пишат с тях и днес децата
- БЪЛГАРИН И СВОБОДА!

- Сбогом, мъничко букварче,
- мой учителю любим!
- Весело ми е, макар че
- трябва да се разделим!
- Ти разкри ми А-Бе-Ве-то,
- тия чудни стъпалца
- към науката – където
- мамят нейните слънца.
- И макар и да минавам
- в клас по-горен, по-висок,
- никога не ще забравям
- твоя, първия урок!
